- Bleach proof
- **NOT** recommended for Dishwasher

=====

Hasegawa is the leading rubber cutting board manufacturer in Japan. Unlike the regular synthetic plastic boards which is too hard for your sharp Japanese knives, the Hasagawa soft cutting board is very gentle to the edge, therefore improving the edge retention. All the Hasegawa boards are anti-bacterial unlike traditional timber cutting boards that needs to be sterilized after each use, as a result, these type of anti-bacterial boards are used in a lot of professional environment.
