PRODUCT DESCRIPTION

Welcome to the world of Kayuragi, where fragrance "Ka" meets with slowly wafting scented smoke "Yuragi". Inspired by Kimono (Japanese traditional wear) fabric, the package texture is smooth, and the coloring is dramatic. Kayuragi series includes the popular Aloeswood and Sandalwood as well as 13 Japanese floral and fruity fragrances. When the incense is lit, its' smoke and aroma wafts throughout the space and brings a feeling of relief and relaxation. It is not only from the pleasant fragrance, but also from the sight of the wafting smoke which will make you feel at ease.
