PRODUCT DESCRIPTION

Made from iron, this wok is an excellent conductor of heat and once thoroughly seasoned would make perfect stir fry dishes!

The Iron pan has an embossed pattern which reduces the surface area and helps food not stick to the pan.

This wok comes with a silicone coating that helps protect it from rust. It is recommended to wash this surface off and apply your own seasoning before use.

The handle is made from wood, and comfortable to hold. However please keep it away from fire.
